PEER RATING OF TEAM MEMBERS FOR THE ME 260L DESIGN PROJECT
Fall 2006

Name_______________________________________ Group_____________________

Please write the names of all of your team members, INCLUDING YOURSELF, and rate
the degree to which each member fulfilled his/her responsibilities in completing the
homework assignments. The possible ratings are as follows:

Excellent      Consistently went above and beyond—tutored teammates, carried
                more than his/her fair share of the load
Very good       Consistently did what he/she was supposed to do, very well
                prepared and cooperative
Satisfactory    Usually did what he/she was supposed to do, acceptably prepared
                and cooperative
Ordinary        Often did what he/she was supposed to do, minimally prepared and
                cooperative
Marginal        Sometimes failed to show up or complete assignments, rarely
                prepared
Deficient       Often failed to show up or complete assignments, rarely prepared
Unsatisfactory Consistently failed to show up or complete assignments,
                unprepared
Superficial     Practically no participation
No show         No participation at all

These ratings should reflect each individual's level of participation and effort and sense
of responsibility, not his or her academic ability.
