ASSISTANT PROFESSOR POSITION

The Mechanical Engineering Department at the University of New Mexico invites applications for a tenure-track position at the Assistant Professor level. Applicants must hold a doctorate in Mechanical Engineering, or a closely related field, in the broad area of Materials/Solid Mechanics at the time of hiring. Preference will be given to candidates with potential or demonstrated excellence in research, teaching and scholarship and demonstrated experience in Micro/Nano Science and Technology.

Interested individuals are asked to visit our website at http://me.unm.edu for a complete description of the Department, University and locale. Applicants should send a signed letter of intent, a detailed curriculum vitae, a one-page description of professional objectives, and the names, mailing addresses, email addresses, phone and FAX numbers of at least four references by January 15, 2004 to:

Mechanical Engineering Search Committee Chair
Department of Mechanical Engineering
MSC01 1150
1 University of New Mexico
Albuquerque, NM 87131-0001

The University of New Mexico is a Carnegie Doctoral/Research University-Extensive and an Equal Opportunity/Affirmative Action Employer and Educator.
